Workshop Registration

So that we can make sure you have the best workshop experience please take a moment and share a bit about yourself and what you'd like to get out of this workshop.

After reading the workshop description what would you like to achieve most from this workshop?

Presently what camera systems and software are you using?

Would you like to share your Facebook page? _____

Do you have a web site? www. _____

What other workshops have you attended?

We will spend time working on images during the workshop. Please tell us what type of laptop you plan to bring to the workshop, the Operating System, and your RAW processing image software

Anythings else you'd like to share?

After completing this form please save it with your name as the file name and email both pages of the Workshop Registration form back.
